

## DETAILS OF WORKS, DATES AND AFFECTED SPACES: Restoration of the Floor in the Basement of the Clúster I Building

---

On 25 March we started works to restore the pavement in various exterior corridors and the Clúster I access ramps area. The works are being carried out in two phases over five weeks (from 25 March to 29 April).

**Users will mainly be affected by the access and walkways to the storeroom area, the shop and the animal facility in the basement, these areas will have to be accessed by the stairs inside the building from the ground floor.**

Important: The painting work requires a drying time of 14 days. We ask users to respect the Park's indications. If you have any queries, please contact [operacions@pcb.ub.cat](mailto:operacions@pcb.ub.cat).

We will hang posters indicating the places which cannot be accessed temporarily.

### **PHASE 1 COMPLETED**

### **PHASE 2**

**Dates: 17 April to 29 April**

**Entrance ways to ramp 1 closed**

Goods entrance by ramp 2

Access to the basement modules will only be possible by the staircase inside the building from the ground floor

Descriptive plan of the affected areas

If you have any queries, please don't hesitate to contact us at <mailto:operacions@pcb.ub.es>.
