Price in € without VAT

(1) The service includes the reception and delivery

(2) Supplement will be applied to services on weekends (20%) or holidays (40%)

(3) Cage deliveries requested out of the standard procedures or after the deadline established by the animal facility

(4) Supplement will be applied for services under special containment conditions P-2 RA: Adv / Lnv / CTT / ctx / RA / Cont. Biology (40%)

(5) The service only includes space and supplies

Any service requested after the deadline established by the animal facility will entail a 20% surcharge on the price

Any material / product delivered extraordinary (not scheduled) will entail a surcharge computed as time of technical staff dedication (minimum 15')

Any extraordinary or unscheduled action resulting from the application of Form-096, except for the routines already established for care staff, will incur a charge for technical staff time (minimum unit 15').
