The El Prat airport is situated 10 km from the Barcelona Science Park (PCB).

To go by train from the airport take Line 1 of the local train service (RENFE Rodalies) as far as the mainline station "Barcelona Sants", which has connections with the metro system (Line 3).

Take the metro in the direction of "Zona Universitària" and get off at the station called "Palau Reial".

By taxi the journey time is 20 minutes.
